INDUSTRY VOICES & SUCCESS STORIES

Hear from Our Valued Partners

TCS | TATA CONSULTANCY SERVICES

Pratik Prakash Agwan
Assistant Manager

"It was an great experience with JEC College. From last 1.8 years we are hiring the students from this college, the students are really remarkable about their confidence, also their performance into the interviews. We would like to absorb such kind of talent into our organization."

Infosys

Sumedha Pandey
Talent Acquisition

"It has always been a pleasure to hire from JEC. Candidates are confident, prepared and hold the right attitude which shows in the results. Infosys is always excited to hire such bright, promising candidates and appreciate the consistent delivery towards our long partnership."

Inspiring Success Stories

01

SNEHA CHATTERJEE
MECHATRONICS ENGO.

"I secured placement at Escorts Kubota Limited due to my strong foundation in core subjects, hands-on experience through hackathons and AI projects, and improved problem-solving skills, supported by guidance from TPO and JEC."

02

AKSHAT SONWANE
INDUSTRIAL & PRODUCTION ENGO.

"I secured placement at VECV by building a strong academic foundation with practical experience through projects and industrial training, along with valuable guidance and support from TPO, which made me a confident and industry-ready professional."

03

ABHAY URMALIYA
ARTIFICIAL & DATASCIENCE ENGO.

"I got selected due to my strong determination from the first year, consistent practice of DSA (3,200+ LeetCode problems and 500+ contests), focused learning in AI/ML, and practical experience gained through two internships."

04

Vanshaj Kumar Karn
Computer Science & Engg.

"Focus on consistency, avoid unhealthy comparison, and develop deep expertise in one area instead of switching frequently."

05

SHIVAM DEVRANI
INFORMATION TECHNOLOGY

"Consistently practiced problem-solving to strengthen DSA, actively upskilled in new technologies like Generative AI with internship experience, and reinforced core concepts through GATE preparation."

Our Team

Head TPO

Dr. Rajeev Chandak

PRINCIPAL,
JABALPUR ENGINEERING
COLLEGE

" The campus recruitment drive for our 2026 batch was a resounding success, reflecting the high technical standards and professional readiness of our students. We are grateful for the recruiters' continued trust in Jabalpur Engineering College and commend our T&P Cell and student volunteers for their seamless coordination. This successful collaboration reinforces our commitment to nurturing top-tier engineering talent and maintaining strong industry partnerships. "
