ABOUT THE COLLEGE

JABALPUR ENGINEERING COLLEGE, JABALPUR

“Jabalpur Engineering College (JEC), Jabalpur, previously known as Government Engineering College (GEC), Jabalpur, was established on 7 July 1947. The college is affiliated with Rajiv Gandhi Technical University, Bhopal (M.P.), and has been autonomous since 1998–1999, as declared by the Government of Madhya Pradesh.

JEC offers B.Tech degree courses in nine disciplines, Ten specialization programs in M.Tech, three postgraduate courses in Applied Sciences (Physics, Chemistry, Mathematics), and an M.C.A. program.

Starting from a small room in the old Robertson College, this college has grown into a mighty oak tree. Now over 75 years old, the college celebrated its Platinum Jubilee on 7 July 2021.

PRINCIPAL'S MESSAGE

It's a proud moment to see our students achieving success in campus placements—a reflection of their hard work and the dedication of our Training and Placement Cell. Congratulations to all the placed students, and best wishes for your continued growth. To our third-year students—now is your time. Stay focused, participate actively, and make the most of every opportunity. With the right mindset, success is well within your reach. From campus to career—one step at a time.

**Dr. Rajeev Chandak
Principal, JEC Jabalpur**

HEAD T&P'S MESSAGE

As the Training and Placement Officer of JEC, I take pride in the Cell's consistent efforts to bridge the gap between academic learning and industry expectations. Each year, we strive to provide our students with not just placement opportunities, but the skills, training, and exposure required to excel in their careers. Backed by a proactive student team and supportive faculty, we continue to achieve new milestones and remain committed to creating impactful career paths for our students.

Dr. Saurabh Singh
TPO, JEC Jabalpur

HEAD T&P'S MESSAGE

As the Training and Placement Officer of JEC, I am proud to highlight the continuous efforts of our Cell in aligning academic education with industry demands. Every year, we are dedicated not only to securing placement opportunities for our students but also to equipping them with the skills, training, and industry exposure essential for their professional success. With the strong support of an enthusiastic student team and committed faculty members, we consistently reach new achievements. Our mission remains focused on shaping meaningful and successful career journeys for all our students.

**Dr. Madhuri Gokhale
TPO , JEC Jabalpur**

PLACEMENT ADMINISTRATION

At JEC, we are dedicated to enhancing student career growth by providing technical training, soft skills workshops, career counseling, etc. Through strong industry partnerships, we bring valuable placement and internship opportunities to campus.

Looking ahead, we aim to strengthen our industry ties and continuously improve our training programs to better prepare students for the evolving job market and ensure their long-term career success.
